People Never Question Spending

₹29,000...

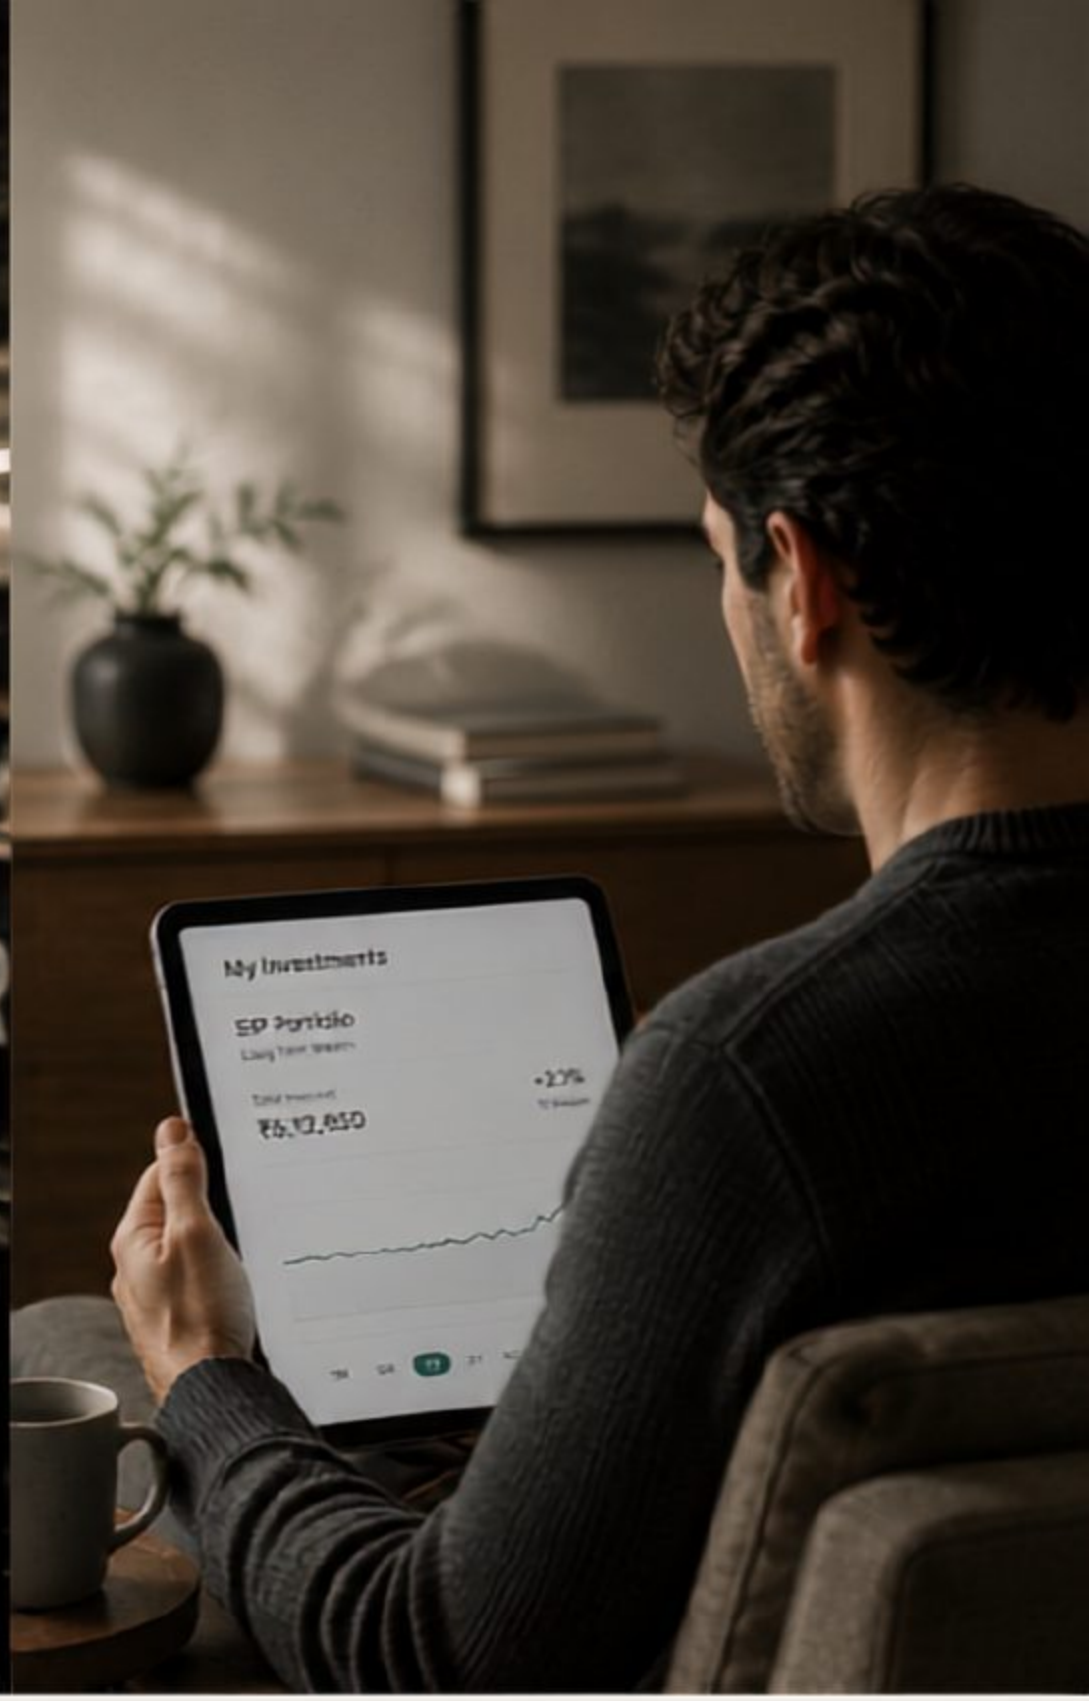

They question investing

₹5,000.

Discipline isn't the problem.
What feels rewarding is.

Hyrox Gives You Progress.

A race has a date, a scoreboard, and visible progress.

A SIP Gives You Time.

A SIP asks for the same discipline, but offers almost none of that immediate feedback.

Goals Build Better Investors.

Not Good Intentions.

A SIP becomes easier to stay committed to when it's attached to something specific - a race, a wedding, a home, or a sabbatical.

Money commitments last longer when they're moving toward a real goal.
